Page 11 under item “2. Detail Bids:” where bidders are asked to list their total cost for leased equipment this should read “...Leased Equipment 4 Years” (four-year term)

Page 21 under “SCHEDULE 8 DETAIL BIDS” where bidders are asked to list their itemized costs for leased equipment the first box on this page should read “4 Year Leased Equipment” (four-year term)

On pages eleven and twenty-one an erroneous contract period was listed of one year greater than the correct four-year term mentioned in the details specifications on page 24, number 6 subsection (b).

TAD seeks bids with a four (4) year contract agreement.

Tarrant Appraisal District Request for Proposals vendor question list 1.

Below is a list of vendor questions in black text followed by TAD’s responses in red text.

1. Page 11 references a bid for a 5-year lease and for purchasing. Page 24, number 6, subsection (b), references a 4-year contract as well. I just wanted to clarify if you are looking for bids for all three?
TAD seeks a 4-year lease contract
2. Do the MFP's need to be from the same manufacturer as the desktops? **NO** As long as the 2-toner rule is met in the general specifications, correct? **Correct**
All MFP's must be the same manufacturer and separately all Desktop printers need to be the same manufacturer BUT MFP's and Desktops may be different manufacturers.
