Movant hereby certifies compliance with the provisions of Tax Code Section 25.26

Sec. 25.26. Forfeiture of Remedy for Nonpayment of Taxes.

(a) The pendency of a motion filed under Section 25.25 does not affect the delinquency date for the taxes on the property that is the subject of the motion. However, that delinquency date applies only to the amount of taxes required to be paid under Subsection (b). If the property owner complies with Subsection (b), the delinquency date for any additional amount of taxes due on the property is determined in the manner provided by Section 42.42(c) for the determination of the delinquency date for additional taxes finally determined to be due in an appeal under Chapter 42, and that additional amount is not delinquent before that date.

(b) Except as provided by Subsection (d), a property owner who files a motion under Section 25.25 must pay the amount of taxes due on the portion of the taxable value of the property that is the subject of the motion that is not in dispute before the delinquency date or the property owner forfeits the right to proceed to a final determination of the motion.

(c) A property owner who pays an amount of taxes greater than that required by Subsection (b) does not forfeit the property owner's right to a final determination of the motion by making the payment. If the property owner files a timely motion under Section 25.25, taxes paid on the property are considered paid under protest, even if paid before the motion is filed.

(d) After filing an oath of inability to pay the taxes at issue, a property owner may be excused from the requirement of prepayment of tax as a prerequisite to the determination of a motion if the appraisal review board, after notice and hearing, finds that such prepayment would constitute an unreasonable restraint on the property owner's right of access to the board. On the motion of a party, the board shall determine compliance with this section in the same manner and by the same procedure as provided by Section 41.4115(d) and may set such terms and conditions on any grant of relief as may be reasonably required by the circumstances.

Movant states that the property described above is located within the Tarrant County Appraisal District and within the following taxing units:

Movant makes this motion pursuant to Tax Code Section 25.25(c) and (e) and requests that the appraisal review board schedule a hearing to determine whether to correct the error(s) identified above. Movant requests that the appraisal review board send notice of the time, date and place fixed for the hearing, not later than 15 days before the scheduled hearing, to movant, the chief appraiser and the presiding officer of the governing body of each taxing unit where the property is located.

A property owner may use this motion to correct, for any of the five preceding years: (1) clerical errors that affect a property owner's liability for a tax imposed in that tax year; (2) multiple appraisals of a property in that tax year; (3) inclusion of property that does not exist in the form or at the location described in the appraisal roll; or (4) an error of ownership. Pursuant to Tax Code Section 1.04(18), clerical error means an error: (A) that is or results from a mistake or failure in writing, copying, transcribing, entering or retrieving computer data, computing or calculating; or (B) that prevents an appraisal roll or a tax roll from accurately reflecting a finding or determination made by the chief appraiser, the appraisal review board or the assessor; however, clerical error does not include an error that is or results from a mistake in judgment or reasoning in the making of the finding or determination.

*A property owner may designate an agent; however, the designation does not take effect with respect to an appraisal district or taxing unit until a copy of the designation form is filed with the appraisal district. The designation form is prescribed by the Comptroller's office and is available at the appraisal district and on the Comptroller's website.

If the Appraisal Review Board hearing is held after the delinquency date, generally after January 31 of the year immediately following the protest year, be prepared to provide proof that taxes were timely paid**. A paid receipt dated after the delinquency date is generally not sufficient to meet the requirements of §25.26.

**Sec. 31.02. Delinquency Date.

(a) Except as provided by Subsection (b) of this section and by Sections 31.03 and 31.04 of this code, taxes are due on receipt of the tax bill and are delinquent if not paid before February 1 of the year following the year in which imposed.
